

KAPITAL KITCHEN

Kitchen Renovations

Kapital Kitchens is based in Guilford, NSW. The company is formed in 2009, Kapital Kitchens has grown into a successful and highly respected kitchen design and manufacture company. It is dedicated to making all joinery for our clients. We can manufacture joinery for your kitchen, wardrobe, vanities and any joinery. Our cabinet makers will custom make each piece for all projects.

When it comes to kitchen design or any other joinery, we'll help you create it. Our complete and personal service approach spans from initial design concept right through to installation. We are only happy when you are happy. Our commitment is to work with you to provide both a professional and individual experience throughout the entire project.

Call us now for a quote or spend some time browsing the rest of our site for an example of how we can bring your dream to life.

Kitchen Design

Choose kitchen design layouts that will suit your home and lifestyle. We will help you create it, from initial design concept right through to installation.

Wardrobe Design

Planning a functional wardrobe is an important consideration. We will help you to create a wardrobe that is both functional and organised.

Vanity Design

Inspiration for a traditional or contemporary bathroom is a personal choice and lifestyle. You have wide range of materials to choose, from marble bench tops, mosaic tile to flat-panel cabinets or a freestanding tub.
