Dynamic Solutions Pty Ltd

Web Designs & Development

I'm sure I had hair when I started this business

Dynamic Web Solutions Pty Ltd is in its 15th year of business and has a large and diverse portfolio of completed web sites. We have experience with a broad range of customers, *which means it is likely that we have done a web site for a business like yours.* We are...

- a one stop shop
- very skilled and experienced in making websites
- experts in web marketing
- diversified across many industries
- here today *and* here tomorrow
- across new trends and have solutions for fast evolving technologies like mobiles, tablets and social networking
- a small team of distributed workers through out the East Coast of NSW
- looking for customers who want a long term supplier
- priced reasonably
- owners of Nambucca web design and hosting business, Nambucca Graphics and Dynamic Web Solutions in Auckland NZ

Our key strengths are...

- we offer a *complete* web design, domain name registration, website hosting, support, SEO and web marketing solution under one roof.
- we do our own search engine optimisation and link building work – so no need to outsource to dodgy foreign suppliers.
- we have been in the web design game from the start. That gives us the power of retrospection which few suppliers can offer.
- we answer our phones without *on hold messages and queues* and are *prompt with support* issues.
- we support the environment by *offsetting carbon* created by our servers.

Support

Dynamic Web Solutions offers WordPress, email and FTP support by Skype, email and phone. Please see our extensive Internet tutorials section before calling. There are email set up instructions in this section. Support is not unlimited however. All support calls you make are recorded in client contact notes and if they accumulate to some hours, Dynamic Web Solutions reserves the right to charge you for this time.
