## Shade Sails

### **Shade Sail Services**

At Sydney Shade Sails we don't just provide you with a shade sail and let you get on with it. Our team is here from beginning to end, and for the years to come afterwards.

We provide a range of services for our customers at Sydney Shade Sails, including shade sail installation and shade sail maintenance. Our team of friendly professionals are all highly skilled and ready to help out whenever the need strikes. We've been working in the industry for years, and our experience coupled with our exceptional training allows us to be equipped to take on any project regardless of the scale. Our team has completed shade sail installation and shade sail maintenance on both private and commercial properties of all shapes and sizes, and when you want a shade sail to be either installed or serviced we're able to quickly assess and determine the best way to progress.

We know functionality is not always top of mind, but aesthetics also matter a whole lot when it comes to shade sails, and with our installation this is no different. Our team is available to determine the best way to install your shade sail so that it fits in well with your property and doesn't detract from the architecture or design style. When you couple this exceptional service with our great shade sail prices then you'll quickly see why we're fast becoming the most trusted brand in Sydney when it comes to shade sails.

We've been in the industry for years and we want to continue providing Aussies everywhere with the best service and prices available, so you can continue to enjoy the great outdoors. Contact us for shade sail prices on installation, maintenance, or materials, and we'll be more than happy to help assess and provide a quote!

### **Sydney Shade Sails Pty Ltd**

is a family owned and operated Australian business.

The company is led by Managing Director, Mr Leonard Collins, who started out his career at the age of 16 as a sail maker for yachts and brought his skills over into the manufacture and installation of shade sails. He has 17 years experience in the textile fabrication industry as well as four years of experience in roof plumbing.

Our company's goal is to shade the Australian Outdoors to provide a safe environment for work and leisure, reducing the chances of skin cancer and providing comfort for individuals during the Australian summer.

Sydney Shade Sails (NSW) Pty Ltd manufactures custom Shade Cloth Shade Sails, Waterproof Shade Sails (PVC Membranes), privacy screens, clear blinds, wind breaks, custom canvas products, e.g. tonneau covers, bags, covers for machinery, gazebo covers and others.

## **About Sydney Shade Sails**

Sydney Shade Sails ethically trades with customers and thus ensures that it produces quality products using high quality materials, and provides good customer service as the standard set for the company.

We use the highest quality materials; shade cloth, PVC membrane, thread, stainless steel wire and fixing points to ensure the longevity of our products. A two year warranty on the workmanship of our products is provided and we use the following materials with manufacturer's warranties; shade cloth with a 10 year warranty, PVC membrane for water proof shade sails with a 5 to 10 year reducing warranty, depending on the brand used ,and UV treated thread with a 15 year warranty.

These quality products, coupled with exceptional workmanship, make for a Shade Sail which will last for at least ten years.

We also provide all kinds of Shade Sail services.

We provide a repair service to repair shade cloth, canvas and PVC materials that need restitching or patches.

We also offer a shade sail cleaning service for shade sails that have accumulated, dirt or lichen over the many years they have been installed but are not due for replacement.
