**Electricians**

### TV WALL MOUNTING

Have your television professionally installed by experienced, knowledgeable technicians (residential installations only). To receive a High Definition TV picture, you must have the proper HD source and cables prior to setting up an appointment. Cables may be purchased on 3RG Solutions Pty Ltd or select Costco warehouses. Additional charges may apply for extra labor and equipment. This installation includes recycling of 1 existing television. This service does not cover recycling of a CRT,DLP, Rear Projection, and Console TV (includes all tube TV's). Service does not include dismantling of television for removal.

### HOME THEATRE

There is nothing quite like the movies for an entertainment experience. So it makes sense that so many of us try to replicate it by purchasing a home theatre system. Our business is built on a foundation of honest product knowledge, quality installations, easy-to-use systems and excellence in after sales service.

It is our Aim to specify, supply and install a system that compliments your home and fulfils all your technical/ design requirements.

## ANTENNA SERVICES

Did you know the quality of your Antenna is directly related to the quality of your TV picture? Okay, now think back to the last time you bought a new antenna? How about the last time you got your antenna checked for faults? It's nothing to be ashamed of. 1,000's of our customers every year have fallen into the same trap of focusing on purchasing a brand new TV, only to be disappointed with the quality of the picture because their antenna is 20 years old or was damaged in a storm.

## CCTV INSTALLATION

CCTV is a great way of enhancing security at your home or business. Not only does it allow you to keep a watchful eye on your property and loved ones, more importantly it acts as a visual deterrent to deter potential intruders thinking of entering your property. Whatever your CCTV requirements, Installer-net have the technical resources and expertise to professionally install a wide range of high quality Swann CCTV Systems at your home or business To ensure that you have a clear understanding of our installation service before booking your CCTV system installation, we have published this simple page to outline the "Standard" installation and any additional/ bespoke elements that might be required

### **About 3RG Solutions Pty Ltd**

We are leaders in the installation of high quality television antennas and related products to improve television viewing for your home or office.

With over 15,000 satisfied customers since 2001, 3RG Solutions Pty Ltd has become Australia's leading dedicated television antenna installation company.

If you find the picture on your TV screen is breaking into pixels during a show, freezes occasionally or get interference in your sound quality, we can help. We can track down whatever is wrong and advise you on your options. If you are moving to a new house - lucky you - we can ensure you get perfect TV reception right from the start. With professional help from 3RG Solutions Pty Ltd, you can enjoy TV in your new house with a new antenna installation in no time.

Many people these days prefer their TV to be wall mounted. This is a great option for families with young children. It avoids the possibility of a young child climbing on furniture and tampering with the TV. Far worse than inconvenience is the potential danger. There have been

a number of fatalities where a child playing near an unsecured TV was crushed by pulling it on themselves. Wall mounting the TV avoids these problems.

Have you just renovated part of your house and now need to relocate your TV points or add additional points? No problem. We can make the changes to your antenna wiring so you have TV access just where you want it.

We can also install that Home Theatre you have been dreaming about! Connection of the various modules with quality cable and a high quality antenna installation will help you get the most enjoyment from your live sport and other programmes. Vivid live sport on high-definition (HD) on a big TV is hard to beat as entertainment for most people! Trust 3RG Solutions Pty Ltd for your home theatre installation.

So . . . for assistance with your TV and home entertainment needs, call us now on 0425 338 768.
