

Peninsula Fire & Security Security Alarm Systems

About Us

You're a friend, not an account number

Peninsula Fire & Security is a family-owned security system company serving all of Sydney. Thousands of families are protected by our alarms and fire systems. We are your best choice for security and peace of mind. Whether you have a home, business or a large facility, Peninsula Fire & Security has a security solution for your specific needs.

Unlike large national companies, Peninsula Fire & Security will treat you like a friend, not an account number. We live in Sydney and we promise to treat you like valued friends. Over the years, we've made lots of friends.
