Our Guarantee

Amazing Projects offers industry standard guarantee. Our commitment to our customers makes it easy for you to choose Amazing Projects to build your project.

We do the work, we don't sub-contract your job

Your project will be managed directly by Amazing Projects, from planning to completion. We guarantee our clients get tradesmen they can trust and that give high quality and professional advice.

We do not sub-contract our projects. The Amazing Project team will do the job from start to finish, only bringing in other tradespeople for very specialist jobs.

We don't waste time

Amazing Projects will carry out your project to time and to the budget agreed. As a team of tradesmen our time is important and we project manage our jobs to be efficient and not to waste time.

Because we are an experienced team we manage each component of the job so that it is done quickly ready for the next task. We want to get the job done efficiently for the client but also so that we do not waste our own time.

Free consultation

The first step in your addition or extension project is a free consultation in your home. We will arrange a time to meet with you at your home. We will go through each step of the project with you. We will spend time to make sure we understand your needs. We will assist you to choose the best value materials, fixtures and accessories. We can then give you a detailed no-obligation quote.

Design and planning permissions

We will design your addition or extension and can assist you with, or manage on your behalf, the development application and planning processes.

Agreement and contract

When the planning permission is gained and you accept the quote, we will draw up a Department of Fair Trading contract to finalise the materials and finishes and to agree on start and finish dates.

An initial deposit will be required (10% for jobs under \$20,000 and 5% for jobs over \$20,000) before we start. Then we will order the materials.

Contact us

We do work in all parts of Sydney. Contact Amazing Projects Pty Ltd now to talk about your project and to discuss your ideas. Our consultations and quotes are free. If you want an Amazing Project call us or contact us by email
