

# Hye Holdings

## Home Renovations

Hye Holdings is a fully licensed and insured building company that has been a member of Housing Industry Association (HIA) since inception. Our staff include a number of highly qualified employees and a director with over 30 years experience in the construction industry. The company also employs a number of highly professional sub-contractors with which the company and the director have had a long business relationship. Hye Holdings has long established accounts with major building suppliers such as Bunnings Hardware, CSR, Boral, One-Steel etc.

The director of Hye Holdings, Arthur Akopian has over 30 years experience in the construction industry, dealing with all aspects of building construction work. In 1999 Arthur established Ararat Constructions, a building company startup that experienced rapid growth and became well regarded in Sydney's northern suburbs and the Armenian community. By 2007 Ararat Constructions, under Arthur's management, had built a block of units, and a number of prestige houses, villas and townhouses in Sydney's northern suburbs. More recently, Arthur has managed construction projects for a number of reputable organisations, including Railcorp, Transport for NSW and the NSW Department of Education.

### OUR SERVICES

Hye Holdings has a strong commitment to customer satisfaction with the simple philosophy - "To build a better building for a competitive price". The fact that the majority of our clients contact us after hearing about us through word of mouth and referrals is an indication of our success in dealing with them.

At Hye Holdings, we strive to meet and exceed customer expectations with a professional service and high quality workmanship throughout the project. What sets us apart is our strong focus on our customers and their goals, offering our clients a peace of mind while ensuring the work is completed on time and on budget.

Hye Holdings can offer their expertise in any of the following fields;

- Project Management
- Design Management

- Site Management
- Estimating
- Cost Planning and Monitoring
- Planning & Programming

Hye Holdings has been involved in residential, industrial and commercial projects.

Our residential project budgets have spanned the \$50,000 to \$5 million range, and included projects of various scopes from renovations/additions to new constructions of block of units, villas, duplexes and single dwellings. The company has also provided project management, advisory and consultancy services to Railcorp, Transport for NSW and the NSW Department of Education.
