At The Gutter Guy we pride ourselves on providing, quality, reliable roof and guttering repairs and maintenance.

Our team of gutter specialists can install, maintain and fix various types of gutters and downpipes to avoid water overflow and foundation failure.
- We can expertly install fascia covers.
- Install top quality gutter guards to help reduce gutter maintenance
- Fix or maintain Colorbond and tile roofing including leaky roofs

At The Gutter Guy we utilise products from leading, Australian manufacturers such as Ace Gutters, Colorbond, Dulux and Leafstopper.

We use specialised equipment to efficiently perform our services with minimal disruption to you, our valued customer.

We hold all necessary licences to operate as a contractor and plumber in the Wollongong, Illawarra and South Coast areas and adhere to the strictest of industry standards. We guarantee our outstanding workmanship on all jobs and are available Monday to Friday 7:30 am until 4:30 pm and by appointment on Saturday for your convenience.
