Dinghy sailing at the EFYC is a fun, exciting and the perfect weekend social activity. Members of the club get to mix with like-minded sailors. Dinghy sailing is suitable to all levels of skill and ability.

Spend a glorious day on the water sailing, and then unwind in the comfort of the friendly clubhouse over a drink or two.

Beginners can start with dinghy sailing. It is an ideal way for young families to enjoy the water responsibly. If you want to improve your sailing skills, then we have a comprehensive training and racing programme that you can register for. Juniors and adults are both welcome.

Have you often thought about spending on occasional Sunday navigating a sailboat on the Swan River? You can now join EFYC and learn how to sail these larger boats with experienced sailors.

EFYC's extensive fleet of keelboats ensure that we can accommodate large numbers so nobody is left out for this popular sailing sport. You can race, or just enjoy some social cruising in fantastic surroundings.

We also take part in a number of coastal and offshore events each year. EFYC members regularly represent the club at these events. To participate, join us at the club or simply make an enquiry.
