darwin netball Association awards

Presidents Medal

The Presidents Medal is awarded to the Best and Fairest Player in the A grade Premiership Season. The Medal was first awarded on 2004 and is supported by the past presidents of the DNA.

Team of the Year

Introduced in 2014 the Team of the Year is a 10 player squad of players selected through a nomination process where each A grade coach is requested to nominate 'the best' 3 players in each area of the court. From this list an honorary team of 7 starters and 3 bench players are selected.

Best and Fairest

Best and Fairest medals are awarded in all other grades as voted by the team officials at each match during the Season.

Umpiring

Keeping pace on court

Umpires are a fundamental part of the game netball. We aim to support and empower our umpires by providing essential training, education and resources.

The Darwin Netball Association's Umpire Coordinator conducts umpire training and accreditation courses on a needs basis.

People that want to become umpires are required to undertake a series of courses to receive accreditation in the form of a badge.

- C Badge
- B Badge
- A Badge
- AA – (All Australian) the highest national award

Netball Australia has more information on the [umpire accreditation pathway](#).

Online Officiating Course

Not sure where to start?

For beginner officials, there is an [Online Officiating Course](#) developed by the Australian Sports Commission. You can register and complete the course at your own pace and from home.

Coaching

Tactics to win the game

Coaches provide guidance and training advice to the team and to individual players. We are committed to providing our coaches with the best education and training resources they need to reach their full potential as mentors.

Darwin Netball Association conducts coaching accreditation throughout the year. Scheduled coaching courses will be advertised online and through club networks.

Netball Australia has developed a comprehensive coaching accreditation framework to assist coaches working with netball players at all levels.

The coaching framework has six tiers:

1. Foundation
2. Development
