

Larry The Locksmith- Locksmith Services - Coburg

About Larry the Locksmith

Larry the Locksmith is an owner operated mobile locksmith business based in Melbourne's north, on Sydney road, Coburg (about 5km from the CBD).

Larry the Locksmith has been locksmith since 1996.

Prior to starting the business in 2007, Larry began his locksmith apprenticeship with API Security in 1996. In 1997 he moved to API's Moonee Ponds branch which traded under the name of Albert Chantry Locksmiths. He completed his apprenticeship here in 2001 and continued to work for the firm for a further six years.

Albert Chantry's was a prestigious locksmith firm, providing unique (for the time) Abloy locking systems which were a premium lock, being extremely difficult to pick and requiring specialised machinery to make keys (Abloy is still a popular locking system today).

Today, Larry the Locksmith provides a commercial and domestic locksmith service and now offers restricted key systems.

Larry the Locksmith is a member of the Master Locksmith Association of Australia, holds a current registration of the Victorian security license and has completed a BA at the University of Melbourne since starting his own business.
