We Are Here To Serve You

Why choose APPS Auto? Your safety is paramount. **You can expect the very best care and attention.** We believe in giving your car a proper health-check before we start work. Our qualified team will explain exactly what work is required so you will have the information to make the right decision for your car and wallet. We like to be transparent, so you approve all the work before we start.

We believe in educating our customers in car maintenance that might impact your safety, value, performance and longevity and the functionality of your car.
