

About Us

Adele Electrical Services

Electricians

The Adelaide Electrician Who Has All Your Needs Covered

Adele Electrical Services is a family owned business with a growing team of electricians who are committed to providing high quality electrical work at a fair price. We can help you with all the electrical needs for your home whether it be a house rewire, safety switch installation or phone point - we'll arrive on time and maintain a tidy work site.

We also specialise in commercial installations and can take care of all your electrical needs for your office or shop fit outs, whether it be your lighting, data requirements or security installations. Recent commercial work includes Endota Spa at Henley Beach, Oz Minerals on Greenhill Rd and Cinqueterre Eatalian Cafe on Flinders Street, Adelaide. Commercial electrical services we offer include:
