

## **INTERSTATE AND INTERNATIONAL REPATRIATION**

**OVER 150 YEARS OF PROVIDING SOUND ADVICE & PROFESSIONAL CARE**

We are specialists in arranging for both interstate and international repatriation. Utilising our extensive worldwide network, we are able to assist families in the recovery of deceased persons to or from almost any country in the world.

Working 24 hours a day, 7 days a week, arrangements can be made immediately. This includes interstate or international funerals, obtaining consular certificates, or transportation to and from airports.

Our mortuary is staffed by fully qualified embalmers who are experienced with Australian and overseas government regulations. Recognised around the world for its excellence in funeral service, Nelson Bros is expert in arranging interstate and international repatriation.

### **INTERNATIONAL LEADERS**

Our worldwide standing is recognised by various international organisations and conforms to their high ethical standards. We are members of:

Australian Institute of Embalming

British Institute of Embalmers

International Federation of Thanatologists Association

International Order of the Golden Rule

National Association of Funeral Directors (U.K.)

National Funeral Directors Association
