

Legendary Cement Rendering Concrete & Cement Rendering

Legendary Cement Rendering is the number one choice when it comes to efficient, quality work. We have years of experience behind our refined technique, offer quality work that lasts and, perhaps most importantly, offer all this while beating a deadline.

Unparalleled Experience

We know cement inside and out - we will make the right mix and the right colour each and every time

Versatile

From pools and fences, houses and duplexes, units and more - we've done it all!

Deadline Conscious

We know your deadline isn't an arbitrary figure pulled out of thin air - we endeavour to help you run according to schedule and are known for this.

Residential

We are fully equipped to meet all your residential job needs

Commercial

Experienced in all forms of commercial work

Repair Work

We have an experienced team ready to complete any patching work that a previous renderer or formworker left

Vibrant Colour

Coloured concrete or ready-to-paint - we guarantee your new surface will be a pleasure to look at

Endurant

Our quality product selections ensure that our work will withstand the harsh Australian climate

Service with a Smile

Our friendly team will provide a stress-free, pleasant experience
