

Spek Contracting - Handyman - West Wyalong

Services Offered by a Handyman

Ideally the handyman is a man of a very practical nature who is good with his hands and a handyman is likely to have better availability than the tradesman who is generally engaged in larger contracts.

So what are the jobs or “odd jobs” you can ask your handyman to do for you.

- ✓ Putting up shelves
- ✓ fitting blinds and curtain rails
- ✓ fitting a wall mounted TV
- ✓ building flat pack furniture
- ✓ minor carpentry
- ✓ Plumbing (adding an outdoor tap, change a w.c. pan, replace taps, fix leaking taps, plumb in or replace dishwashers or washing machines, vent tumble driers)
- ✓ electrical works

The handyman is likely to be skilled in painting and perhaps wallpapering. Some of the other tasks often carried out by handymen include the following:

- door trimming/easing
- Fencing
- fence repairs
- floating shelves
- furniture painting
- furniture repairs
- general repairs
- grass cutting strimming
- gutter cleaning
- gutter replacement
- hang pictures/mirrors
- hedge Trimming
- kitchen rejuvenation (new worktops/doors)
- laminate floors
