

Champion Projects- Builders - Sydney

Questions to Ask Your Prospective Builder

Now that you have shortlisted your prospective Builders in your area, its itme to do your homework.

You should be able to answer the following questions with an enthusiastic yes regarding the builder or firm that you have decided upon.

Does this builder have an excellent reputation with former clients?

Do former clients say that this builder brought projects in on-time and on-budget?

Are this builder's former clients satisfied with quality of work carried out on their project?

Is this builders estimate a thorough and realistic proposal?

Will this builder have a dedicated team to efficiently manage any expectations you may have?

Does the builder have a proven system for client communication in place?

Will I have a collaborative relationship with the builder where any of my concerns and suggestions are welcome throughout the project?

For former clients say that this builder is committed to customer satisfaction even after a project is finished?

It can be a daunting task to choose a builder, but with taking the time to ask the right questions, this will make the process a lot easier for you.

You can rely on Champion Projects builder to offer the best possible service at a competitive price. Call them today at 0414 927 006!
