About Us

A Classic Colour Consultant will work with you to help select the right Colours and Schemes which are perfect for your Personality. Whether you are choosing one single Feature Wall to one Room and or your Entire Home, be it Interior/Exterior or both.

We have 20 years experience in the Colour World. No job is too small. We are here to help guide you for the preparation of your New Colour Journey which really is an exciting time for you. Understanding you is the key element to our successful Schemes. We also recognise it is fun times to enjoy.

We have Professional Painters available and great discounts for you in a recognised Paint Outlet. With these great discounts it covers the cost of our services.

It takes approx 1 1/2 hours to complete your Colour Scheme depending on the Nature of the Scheme.
