## MAID OF HONOUR'S DUTY

One of the first decisions a Maid or Matron of Honour must make about the Hen's Party is what type of outing to plan.

Discuss this with the bride and you'll also find that the Nightcruiser Crew can assist instantly with many ideas.

It is a good idea to hold your hen's party at least one or two weeks before the wedding.

The Hens Nights are legendary with Nightcruiser who have the greatest choice.

We organise free VIP entry to all the venues plus special arrangements for and on your behalf.

## BREWING TOURS WITH NIGHTCRUISER

The famous Nightcruiser Breweries Tours are proving to be very popular.

Both Day with Lunch or Night Tours with Dinner are possible.

Check out all the information below before calling us to assist you with your Breweries Tour.

Chosen by many groups as Bucks Days, Birthdays, Beer Connoisseur or any social group.

We also provide two way group transport to and from the Breweries as well as Late-Night Transfers.

Most boutique micro breweries also have fabulous cafes and restaurants and it pays you to check them out.

A number also have beer gardens which are great to relax at in the shade outdoors party atmosphere.

### **WEDDING GUESTS TRANSPORT with NIGHTCRUISER**

#### **In a Party Atmosphere**

We provide transport for Wedding Party Guest groups that need to be moved from nominated pick up points to Church or Outdoor Ceremony or Church to the Reception.

Late- night returns are also available.

Nightcruiser passengers are entertained with Music on the way.

No one expects wedding guests to risk drinking and driving so we can pick up from your door, transport during the event and drop back to your door so you can relax the whole day.
