SCHOOL FORMAL / PROM TRANSPORT WITH NIGHTCRUISER

The Nightcruisers has provided outrageous transport to School Balls, Proms and Formals for some time.

Wouldn't you prefer to arrive in a Nightcruiser Party Bus with sub woofers pumping and disco party lights along with your friends rather than in an *expensive hard to get limo* like all the others?

The school ball has become more like a wedding. Formal prom evening dresses, tuxes, corsages, stretch limo hire and the right partner. Some might view it as an expensive exercise for spoiled kids but it has become much more than that ... it has become one way of celebrating Australian youth's passage into adulthood.

THE JOURNEY

Usually we pick up from one point then take you to King's Park for photos and on to the ball for the grand arrival.

THE AFTER PARTY

After the Ball we will pick up the group and take them back home or to your after party, with free clothing change at one spot on the way.

Time allowance one full hour unless otherwise arranged.

GRAND ENTRANCE

We always make a grand entrance as we turn up with sub woofers blaring and bass booming, which

can be heard up the street, then causing a stir making all others arriving in limos take notice. This will make heads turn!

THE TOUR

We assist you with working out a schedule.

Here is a samples:

Pick up from one nominated place and we make our way for Photos.

So get your imagination running wild and come up with your own plan unique to your group.
