# Bond Security Group- Locksmiths- Doncaster *Automotive Locksmith Services* SPECIALISTS IN CAR KEYS, REMOTES & KEYLESS ENTRY

Car locksmith services is one of their specialties. Bond Locksmiths have the skills and expertise to carry out any automotive locksmith job wherever you are. They will often visit customers on-site to assist with their enguiries.

### **Automotive Locksmith Services**

Here at Bond Locksmiths they are automotive security specialists. They provide lock and key services for all makes and models, including European and prestige vehicles. Their fully-qualified staff are familiar with all automotive locks and transponder systems (computer chip car keys) so we can take care of any problems you may encounter.

### Why you need Bonds for Automotive

- ✓ Replace lost, damaged or stolen keys
- ✓ Repair or replace faulty locks
- ✓ Re-key locks
- ✓ Open your car on-site when you have locked keys inside
- ✓ Cut and program transponder car keys (computer keys)
- ✓ Removal and rebuilding of worn or damaged ignition.

#### Car Remote & Keyless Entry Repair

Don't pay the huge costs of replacing your car remote key; at Bond Locks they can repair your car remotes for around a 5th of the cost of replacing them through your car dealership.

## **Repair & replacement for keyless entry / car remotes**

Bond Locksmiths fully qualified staff can quickly and easily repair your car remote controls and keyless entry devices, instead of paying for complete key replacement. Come in and see them and they'll help you out if you have broken;

- Car remote control
- Keyless entry
- Car key fobs
- Computer keys
- Transponder car keys

SAVE UP TO 80% BY REPAIRING, NOT REPLACING!
