

# Locksmate- Locksmith Services- Caulfield

## Emergency Locksmith Services

*There is no good time to get yourself locked up, but if and when it happened, you would be happy to know that Locksmate locksmiths can open any lock and can get most suburbs within half an hour to one hour and help with your vehicle or office too.*

### 24 Hour Emergency Services

The 24 hour emergency locksmith services are not just available for your home or apartment, but we are very well suited if you lock yourself out of your vehicle or office too.

Our emergency locksmiths in Melbourne carry special pick guns to open a lock as well as tooling machines that can produce a key immediately, that's what makes us one of Melbourne's best emergency locksmith company
