Finding a Reliable House Painter

There are many things to consider when looking for a house and commercial painting specialist who are qualified reliable so you know the work will be done to last.

Ask around

If you have any family members who hired a contractor to do their painting job, see with your own two eyes to determine if that painter did a good job.

Local

Check for advertisements in the local community and regional newspapers.

No Complaints

Check for complaints against the painter you choose to hire.

Word of Mouth

Ask around to see if anyone you know has heard anything negative about the painter you choose.

Ask for references

Any reputable painter will gladly provide contact information for previous clients.

Honest and Free Quote

Ask the painter to come out and see the scope of work and request a quote.

Skilled and Knowledgeable

Your house painter should have extensive knowledge and experience with regard to the tools they use like brushes, scrapers, tape and rollers.

Insured

Ask for proof of insurance before hiring your house painter - it could save you a lot of money in the long run.
